

# Stars and Stripes Across Beau Chêne

Please join Scouts BSA Troop 8720 in showing love for your country by proudly flying an American flag along the streets of your neighborhood.

Troop 8720 will place a crisp 3'x5' American flag, mounted on a 10' galvanized steel pole, in your front yard, during the week of five patriotic holidays throughout the year.

**Memorial Day • Flag Day • Independence Day  
Patriot Day/Labor Day • Veterans Day**

Flags will be posted for the week of the holiday, and retrieved shortly after.

All proceeds directly benefit scout activities such as monthly camping trips, high adventure trips, and our annual summer camp trip.

We are grateful for your support of Troop 8720, and appreciate your participation helping line the streets of Beau Chêne with the American Flag!
